## ABOUT Us

We Sunshine Energy Pvt. Ltd. (SSE), one of the leading companies in Nepal alternative energy sector are dedicated to promote alternative energy in Nepal; focusing mainly on solar. We are a private company, established in the year 2004 based on Samakhushi, Kathmandu, Nepal.

Since our establishment, we have worked on thousands of projects of various scales. Our primary focus has been aimed on: Solar Home System (SHS), Hybrid Solar PV Systems (HSS), Institutional Solar PV systems (ISPS), Solar PV Water Pump Systems (SWPS), Solar PV Vaccine Refrigerator, solar fencing and solar street lighting. It is no doubt after 16 years and running in the sector our service has helped light up the nation as a whole.

## OUR AIM

We are deeply committed in making our environment clean and green through renewable energy and also enhancing the socio-economic living standard of Nepali people in remote areas. By effectively doing so we aim to establish the name "Sunshine Energy" as a powerful and trustworthy brand in Nepal and throughout the world. To sum it up, our main goal is to deliver quality solar and alternative products throughout the country at an affordable price.
